

OTTOMAN GASLIFT BED

ASSEMBLY INSTRUCTIONS

Minimum No. of people
recommended to assemble
this product:

Approx assembly time:

1 1/2
hours

HELPFUL ADVICE PRIOR TO ASSEMBLING THE BED

- 1) Owing to the size and weight of the bed, we recommend that it is assembled by two adults, on a flat surface, in the room that it is intended for.
- 2) Please do not use any tools other than those provided or recommended in these instructions.
- 3) Please do not discard any packaging until you have checked that you have all the parts and fittings. Keep all fittings out of reach of children.
- 4) The lift up action maybe a little stiff at first, but will ease after use.
- 5) Assemble all parts loosely until advised to tighten. Depending on use, it maybe necessary to tighten the fittings from time to time, so please save your allen key and spanner that has been provided.

WARNINGS

- 1) Please ensure children do not play in the storage area or try to lift up the metal frame.
 - 2) Once assembled, put mattress on frame before pushing it down and only lift un or push down the metal frame with mattress on top.
 - 3) Please do not stand on the storage base at any time.
- Do not throw away any of the packing or the instruction book until you have checked all the components and fittings and the furniture is fully assembled.

Components parts and fittings contained in the box

Please sort all parts before you begin to assemble the item. This to make sure you always use the correct part
